SUNBELT INGROUND SPA SERIES

Sunbelt Spas Inground Series Spas are specially designed for in-ground applications. Available in a variety of sizes, shapes, and configurations to fit any backyard, these spas are ready to help you build your perfect private outdoor oasis.

Since 1979

Sunbelt Kidney Spa provides you with a unique shape and ultimate relaxation in the same package. Seating for ten including a lounge seat for full body relaxation makes the Kidney Spa a crowd pleaser. For one or ten the Kidney Spa creates a backyard oasis that rivals many and is topped by few.

Spillover Spas provide a beautiful waterfall effect for the perfect hot tub addition to any pool. Beauty, function, and relaxation, all in one package.

Sunbelt Swim Spas

Spas Swim Spa Series combines aquatic exercise with the ultimate relaxation tool to enhance not just your backyard, but your life. Resistive swimming, exercises, and walking in the Sunbelt Spa Swim Spas provides cardiovascular exercise with little to no impact. Each Inground Swim Spa will be designed for your specific needs and provides superior relaxation in ergonomically designed seats. The new QX4 even has a dividing wall for two different temperature zones.
